Ministries For the Body of Christ

The objectives of the Refreshings Springs Ministries are to work within and carry out the vision of the Church. Simply, our vision and command is to go teach all nations of the Gospel of Jesus Christ. The faith, passion and desire to see souls saved is the driving motivation of all outreach efforts from taking the gospel to the streets, in our home, church, and community, to reaching the world. Because we have faith, works are produced!

Every ministry should be structured and have principles consistent with Biblical principles and guidelines. Individual ministries are jointly fit together to manifest the love and salvation of Jesus Christ witnessed by the Holy Spirit. After full membership, we encourage each member to be an active part of at least one church ministry. All ministries, departments and outreach service should strive to:

- ❖ Further develop our relationship with Christ
- ❖ Further develop our skills to lead others to Christ
- ❖ Draw others to Christ

Ministry Overviews

EVANGELISM

We witness to the world, all nations and all kindred. Witnessing may include, but not limited to, revivals, street evangelism, hospital visitations, prison ministries, drug and alcohol outreach, and deaf ministry.

INTERCESSORY PRAYER

Fervent believers pray for individuals, groups and services. Pray for broader needs of the community, country and governmental leaders. We pray before church services, in particular, before Sunday morning worship.

WORLD MINISTRY

We want to support our own neighborhood and international countries. This ministry includes feeding and clothing the needy, preaching the Word, and providing financial support.

ALTAR WITNESS & SUPPORT

The altar witness and workers outreach to sinners, those hurt, and or those that are sick spiritually or naturally. We encourage others to step out on faith, provide assistance and lead to salvation as the Spirit ministers.

REFRESHING SPRINGS CUPBOARD

We provide supplemental food, supplies to families and clothing to families with special needs. We demonstrate our love and salvation when we help others in need and in deed.

VAN MINISTRY

We provide transportation for those unable to drive and need transportation to the House of God.

NEW MEMBER'S CLASS

We help each member become a disciple of Christ. With a clear understanding and grounding of your salvation, an individual

should be prepared to go tell the world about Jesus.

CHRISTIAN EDUCATION

We continue to grow our spiritual wisdom and knowledge. Bible education is essential for teaching converts and maturing believers. We supplement our education with other mediums including a library, book clubs, theology classes, video tapes, discussion groups etc.

ACADEMIC ACHIEVERS OF EXCELLENCE (AAE)

We support children with their homework, proficiency tests, extra credit work and reward them for a job well done. Our Learning center is our initial step to developing a college scholarship program and establishing a Christian school.

MUSIC & ARTS

We have anointed music for worship service and special services. We have music programs that can reach all ages. We have singers, musicians, dancers and puppets that are anointed to sing and play unto the Lord and can lead in spiritual warfare.

CHILDREN'S MINISTRY

Children's church allows children the opportunity to worship God with their peers, spiritual guidance and leadership. The children ministry features Bible lessons, choir, skits, flags, bells and discussions for grades K-6.

MEN/WOMEN'S MINISTRY

Training men and women is necessary to build strong Christian families and a vibrant church. Our men and women ministries provide the opportunity to know one another through faith, fun and fellowship.

HURTS TO HALOS

We are a family! When others hurt so do we. We show our sympathy and encouragement by

prayer, comforting, card, e-mail, flowers, food and services as needed. Simply make ourselves available!

GREETERS/USHERS/HOSPITALITY/SECURITY

The usher ministry is a vital part of our church. The objective of this ministry should be first to demonstrate the love of Jesus from the time and worshipper enters the door until they leave. A smile and a pleasant facial expression brighten the day.

YOUTH AND YOUNG ADULTS

The youth and young adults are a vital part of the church and a key focus of vision and mission. We strongly support efforts to build faith, fun, and fellowship consistent with our church doctrine and principles.

MARRIAGE MINISTRY

We help to equip couples with tools needed to live an abundant life together. This is a very supportive group: that is understanding, laughs together, cries together and celebrate together the growth in marriage and family development.

SINGLE'S MINISTRY

. We focus on the abundant life in Jesus Christ and living an un-compromised life for Jesus. This is a place to meet and bring others to let them know it's not a drag to be saved and single.

CHURCH MAINTENANCE (SEXTON, BEAUTIFICATION, GARDENING)

Our goal is to keep the sanctuary, fellowship hall and the Meditation Garden looking beautiful. We keep our church ready for special guests at all times. Caring for the church is everyone's responsibility.

ADMINISTRATIVE SUPPORT

We provide information on church upcoming programs and services, and we broadly communicate about the Lord using all mediums. We provide publications about our church to potential new members, friends and visitors

BUSINESS

DEVELOPMENT/NETWORK/TRAINING

Members support, grow and share with one another in the Body of Christ. We make it easy for the members to choose members from the Body first when the need for services arrive. We also provide seminars and training.

DINING

We follow the example of Jesus and his disciples breaking bread together often. We have many family meals where everyone contributes as well as special events to increase our outreach to the community and celebrate the many blessings of God.

PASTORAL SUPPORT/SHEPARD CARE

We provide aide to the pastor and spouse in helping them to be servants to the flock of God. We seek to help the pastor at the home church as well as travels to other appointments.

MULTI-MEDIA & SOUND MINISTRY

We want to maximize the technology of today to enable the church to teach all nations. We use multi-media is good taste consistent with our Church principles to communicate the Gospel of Jesus. We use radio, T.V., internet, video, publications, audio to evangelize and disciple others to Christ.

FINANCE MINISTRY

The finance ministry prepares the budgets for church operating funds, oversees the receipts, disbursements and preparation of financial reports, and manages church investments and insurance. In addition, the finance ministry team provides financial guidance to the congregation, leadership teams and staff.

HEALTH & WELLNESS

We are committed to providing updated health materials and information. In addition, we provide exercise classes, CPR classes and other services to keep everyone in good shape to do the work of God!
